experience

Freelance Designer, Undo Studios (Santa Clara, CA) 3/2008—Present

- Working Freelance to provide business-effective solutions to professional clients.
- Projects typically revolve around website development, both static and animated.

Intern, MonkeyChicken Design (San Jose, CA) 1/2008—3/2008

- Aided in the design and implementation of several flash web banners and revised HTML pages according to client specification.
- Created a set of iPhone-like icons for a prototype user interface.

Library Assistant, Brooks College (Sunnyvale, CA) 7/2007—3/2008

- Administered to library-related student needs and submitted multiple designs that have been implemented for school-related signs, informational flyers, and inserts to the graduation packet.

Teller Grade II, Comerica Bank (Palo Alto, CA) 9/2003—1/2007

- Interacted face-to-face with clients ranging from personal bank clients to business executives on a daily basis.
- Trained all new employees on the HOGAN system used by the bank.
- Designed marketing materials specifically relating to in-branch events.
- Brought in over \$1 million in new customer investments in the duration of my employment.
